WHY KATZAZZ PRODUCTS?

CONSUMABLE PRODUCTS CREATE REPEAT BUSINESS

KatzAzz offers professional maintenance and performance products that are used, replenished and reordered. Every product is developed with close attention to performance and with exceptional detail placed on the appearance and presentation of its containers and packaging.

Our products serve automotive, fleet, agriculture, industrial and energy markets – giving distributors and resellers opportunities to sell across multiple customer groups and applications.

Products customers use today become products they need again tomorrow.

WE DON'T ADD PRODUCTS JUST TO FILL A CATALOGUE. WE DEVELOP PRODUCTS TO FILL A NEED.

20+ YEARS REAL-WORLD EXPERIENCE

For more than 20 years, Katz Azz Products has been solving maintenance challenges across the Energy, Agriculture, Industrial and Automotive industries.

Our products have continually evolved through valuable feedback from the professionals who use them. Rather than offering numerous, overlapping products, we develop and refine versatile, high-performance solutions that help our customers and distributors **reduce inventory, eliminate redundant SKUs and simplify purchasing - without compromising performance.**

PURPOSE-DRIVEN PRODUCTS

Every product is developed to address real repair and maintenance challenges.

MULTI-FUNCTIONAL PERFORMANCE

More applications with fewer individual products help reduce inventory and overlapping SKUs.

BUILT ON CUSTOMER FEEDBACK

Continual improvement based on real-world input from the industries we serve.

FROM INDUSTRIAL PRODUCTS TO JERKY?

There's a Good Reason.

At KatzAzz, our business has always been about hardworking people.
From agriculture and energy to automotive, transportation, and other skilled trades, our products serve the everyday workers who keep our industries moving.
We're grateful to the customers, distributors, and communities that support us.

So why KatzAzz Jerky?

Because KatzAzz Jerky gives us another way to connect with the people behind our business, support the agricultural community, and help families raise funds for youth sports and community activities.

You'll find KatzAzz Jerky through select retail partners who carry our industrial products and serve the trades.

THE TRADES BUILD OUR FUTURE.

Skilled tradespeople keep our country moving. They build, repair and maintain the vehicles, equipment and infrastructure we rely on every day.

Encouraging young people to pursue the trades helps close the skills gap, strengthens our communities and creates rewarding careers built on skill, hard work and pride.

At KatzAzz, we believe the trades deserve recognition, respect and support — because when we invest in skilled workers, we invest in the future.

KATZ AZZ Trades Scholarship Program

KATZAZZ TRADES SCHOLARSHIP PROGRAM

The KatzAzz Trades Scholarship Program recognizes individuals who have chosen to pursue a career in the skilled trades. Whether you're beginning your trade education or already completing an apprenticeship, we want to encourage your commitment, ambition and determination to succeed.

WHO CAN APPLY?

1. Be a Canadian citizen or permanent resident.
2. Be between the ages of 17 and 35.
3. Hold a Grade 12 diploma or equivalent recognized certificate from an accredited Canadian school.
4. Provide references from at least two part or full-time employers. One reference may be from a parent or guardian.
5. Be enrolled in a trades training program, either full-time or as an apprentice in any year of apprenticeship.
6. Complete all sections of the scholarship application form.

WE BELIEVE IN THE TRADES. WE INVEST IN THEIR FUTURE.
